PRESS NOTE

Astron Paper & Board Mill Ltd is one of the largest manufacturers of Kraft paper and board, used in the packaging industry. Since inception waste paper has been used as raw material instead of traditional usage of wood thus promoting the eco-friendly world. The plant is situated near Mundra port giving it locational advantage.

Today we are happy to inform that from last three months i.e Sept to Nov, we have operated nearly 100% of the capacity utilization and as per our orders and analysis we can say it will be at same level for this month also. For Export also in first six month we have achieved 19% of total sales which is 22% for last three months. So at all our locations we are working currently at nearly 100% capacity utilization.

Kindly take on your record.
